

VIRTUAL BEHAVIORAL HEALTH FOR BEHAVIORAL HEALTH HOSPITALS

Access TeleCare provides behavioral health hospitals with 24/7/365 professional psychiatric coverage, medical directorship, rounding, and on-call coverage.

**What you get:**

- ✓ **24/7/365 Professional Psychiatric Coverage** – we provide full or partial coverage with a strong bench of providers to cover and grow your units.
- ✓ **Medical Directorship** – World-class virtual psychiatrist medical director to oversee the program.
- ✓ **Daily Rounding** – Our Psychiatric Mental Health Nurse Practitioners provide daily rounding and work within your operational workflows, providing all needed documentation within your EMR for efficient, collaborative care.
- ✓ **IOP/PHP Coverage** – We can fully staff your Intensive Outpatient Program or Partial Hospitalization Program with our virtual providers – ensuring continuity of care for patients who need step-down care.

Benefits:

- ✓ **Maximize Your Census** – Consistent, high-quality coverage with streamlined admissions ensures patients are adequately cared for and beds are full.
- ✓ **Optimize Length of Stay** – We fully integrate with on-site clinical, quality, and utilization management staff, and we help with insurance documentation for treatment justification and stay extensions.
- ✓ **Reduce Turnover and Clinical Burnout** – Alleviate the burden and stress of mental health patient care from your on-site staff by leveraging Access TeleCare's clinicians via telemedicine.
- ✓ **Continuity of Care** – warm hand-off and ongoing care with outpatient treatment.
- ✓ **Improve the Patient Experience** – with consistent, high-quality behavioral health care patients feel well cared for, heard, and seen – helping them on their path to better mental health.

“Fully virtual psychiatric professionals working hand-in-hand with on-site nursing and operations staff is a win-win for today’s behavioral health hospitals needing to manage an unprecedented need for their services amid a severe ongoing shortage of psychiatric professionals.”

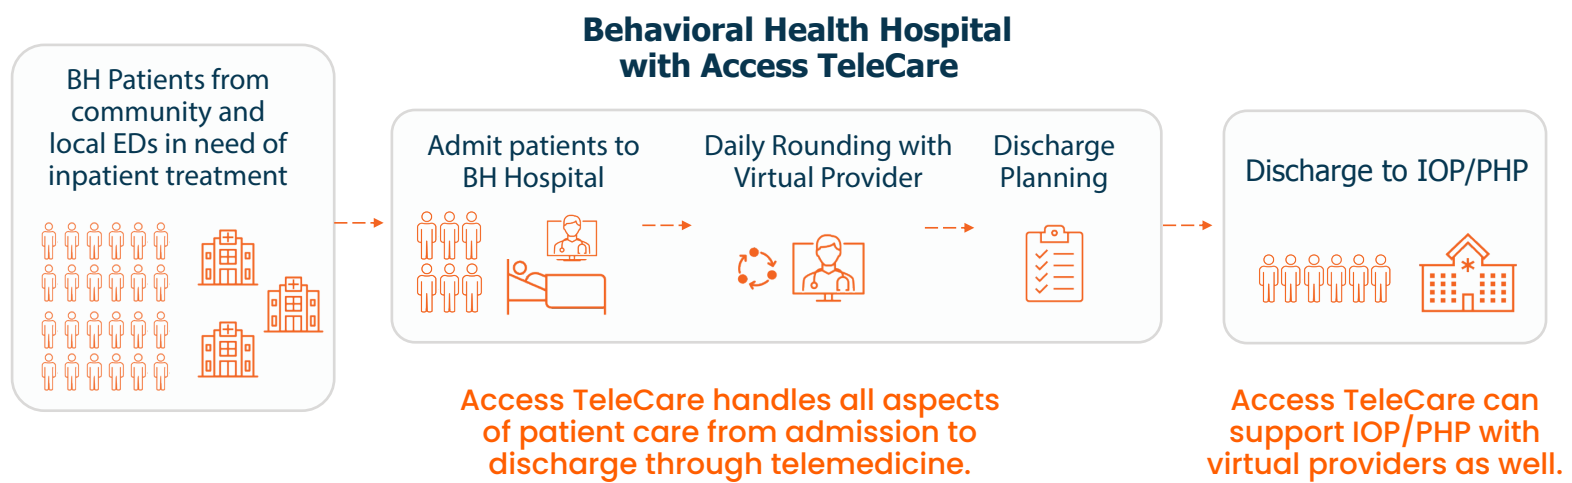

Chris Gallagher, M.D.

About Access TeleCare

Access TeleCare is the standard bearer of clinical excellence in acute specialty telemedicine providing high-quality care for patients in 1 out of 5 U.S. hospitals. Over the last 20 years, the company has delivered care in nearly 7 million patient encounters across multiple specialty service lines. As the first and longest-standing telemedicine organization to receive The Joint Commission's Gold Seal of Approval in 2006, Access TeleCare is leading the way to a better healthcare delivery system with clinically excellent tech-enabled services.
